Christian Village Communities President/CEO Retires

Mason, OH July 24, 2024—Christian Village Communities (CVC) announced today that Larry Dean Monroe will retire from his role as President and Chief Executive Officer on Dec 27, 2024, following a highly successful tenure with the organization. Vickie Brashear, who has served CVC as Chief Financial Officer for ten years, will succeed Mr. Monroe as President and CEO.

On his decision to retire as President and CEO, Mr. Monroe said, “Twelve years ago, I was privileged to join CVC, and it has been my honor to lead the advancement of the organization’s mission. Through God’s blessing, and the hard work of an amazing team of leaders it has been my privilege to work alongside, CVC is financially strong and well positioned for sustainability and growth.”

During his tenure Mr. Monroe served with distinction, driving significant innovation and accomplishment throughout the organization, including record-setting financial outcomes. There have been significant capital investments made in support of CVC’s two Life Plan Communities, including the construction of the 300-seat Stone Center Worship and Performing Arts Auditorium at CVC’s Mason, Ohio location. On July 3, 2024, the organization broke ground on Sunrise Vista, a ten-acre, \$17M independent living expansion at the Mason location consisting of twelve spacious, single-family homes, twelve duplex homes and a 4,000 sq. ft. clubhouse.

In 2023 CVC launched Christian Village Hospice (CVH). About CVH Monroe shares, “Reflecting upon our care continuum of independent living, assisted living, nursing, memory care, and rehab care, it became obvious that we lacked one final, critical component, providing end-of-life care for our residents and patients. Not only does this complete our continuum of care, CVH has had an inspirational impact on the families we serve and our nursing staff.”

Harry Snyder, Chair of the CVC Board of Directors shared the following regarding Mr. Monroe’s retirement. “On behalf of the Board, I would like to thank Larry for his unwavering commitment and outstanding, dedicated service to Christian Village Communities and its affiliates. Under his leadership, CVC experienced a period of unprecedented outcomes. These achievements, plus his focus on developing leaders within the organization positions CVC for continued success in the years to come. We are extremely grateful for Larry’s many contributions and look forward to continuing to work with him throughout the CEO transition process.”

Following his retirement as CEO, Mr. Monroe will continue to serve CVC throughout 2025 in an independent role to assist with specific initiatives and assist the new CEO as requested.

About Christian Village Communities:

Founded in 1960 as The Christian Benevolent Association of Greater Cincinnati, Inc., Christian Village Communities has grown into a highly respected provider of Christian senior living and health services. CVC has over 400 team members serving over 700 residents in its two Life Plan Communities, The Christian Village at Mason, and The Christian Village at Mt. Healthy. The mission of CVC is to guide older adults to joyful and purposeful life experiences in a faith-filled community.
